*Scheduling your
MRI for Ultrasound
Fusion Guided
Biopsy*

**McKenzie
Health**

701-444-8730

WATFORD CITY

MCHS Specialty Clinic
709 4th Ave NE

YOUR PROCEDURE IS SCHEDULED FOR:

DATE _____ AT _____

NOTE: If you have a pacemaker, McKenzie Health cannot do your MRI.

PREPARING FOR YOUR MRI

- The MRI is scheduled for two hours and requires an IV;
- You must complete creatine lab work within 30 days of your test;
- You may need to come 45 minutes to an hour early for your lab draw, or, if it is convenient, you may come a day or two early to have labs drawn;
- If you are 60 or older or are diabetic, you will require creatine lab work;
- If you have a mechanical implant or stimulator, please bring your wallet information card;
- If you are claustrophobic and require medication, please inform your nurse or physician;
- Hydrate for at least 24 hours after test.
